

Product: SONAX Rich Foam Shampoo

Article Code: 0248 3000 / 5000
Formula Code: 2480 0002

Product description: Active foam shampoo for a dense, long lasting and intensively dirt dissolving foam carpet. Gentle on surfaces due to its pH neutral formulation.
Can be used with a foam lance/foam gun (high pressure washer), a manual foam sprayer and as shampoo for manual washing.

Directions for Use: With high pressure washer and foam lance: depending on equipment and lance, pre-dilute 30-100 ml of shampoo with 1 l of water and pour into the lance's storage tank. With manual foam sprayer: mix 10-30 ml of shampoo with 1 l of water in the container (depending on equipment and nozzle).
Manual wash: dissolve 50 ml (=2 capfuls) of shampoo in 10 l of warm water and foam up. Apply the foam to the vehicle from top to bottom and wash with a sponge. Thoroughly rinse with clean water.

PLEASE NOTE: Do not use on hot surfaces. Do not allow to dry.
Protect against frost. Roughly clean heavily soiled vehicles first.

Chemical Characterisation: Cleaner based on anionic and amphoteric surfactants, phosphate free

Specific data: Appearance: yellow liquid
Density: 1.02 – 1.03 g/ml
Viscosity : 10 – 14 s (4 mm Ford Cup)
pH: 6.5 – 7.5

Packaging: 1 l PET Bottle
5 l PE Canister

Safety data: See safety data sheet
